

## DISSEMINATION PROGRAM

### ICMR NATIONAL ETHICAL GUIDELINES, 2017

Indian Council of Medical Research (ICMR) has revised National Ethical Guidelines for Biomedical and Health Research Involving Human Participants, National Ethical Guidelines for Biomedical Research Involving Children and National guidelines for Stem cell research which were released on 12th October 2017.

In order to create awareness on ICMR Ethical Guidelines amongst all the stakeholders such as researchers, ethics committee members, students, nurses as well as faculties involved in biomedical and health research, a series of dissemination programs are being organized by ICMR across the country. In this regard, a **dissemination program is being organized by ICMR-NIRT, Chennai jointly with Sri Ramachandra Medical College and Research Institute, Chennai at the University Auditorium of Sri Ramachandra Medical College and Research Institute (Deemed to be University), Chennai from 1:45 PM to 5:00 PM on 7<sup>th</sup> February, 2018.**

We are pleased to invite you to join the event. Please find attached details of the program for your kind reference.

Further, it is requested to kindly direct the Ethics committee members, faculty members, research staff, PhD students, post graduate and under graduate students, interns from medical, dental, nursing and all other allied streams to attend the program as it will benefit them directly and will go a long way in facilitating ethical research in the country.

You will have to register for the event following the link in the attached Dissemination Program. **REGISTRATION IS FREE.**

Certificate of Attendance will be issued to the participants.

We look forward to your presence and support in making the event successful.

Thanks,

Best regards,

Dr Srikanth Prasad Tripathy  
Scientist 'G' & Director-in-charge,
