Walk-In-Written Test/Interview

Project: “National Survey for the state wise prevalence of Pulmonary Tuberculosis in India”

Tuberculosis Prevalence Survey is a time bound activity and is crucial for TB Elimination in India. It is planned to be undertaken on mission mode. NIRT has been embarking upon prevalence survey of Tuberculosis across the country expeditiously. To undertake this activity effectively and on a time-bound manner we are in search of candidates having high level of commitment and dedication to work mainly towards monitoring and intermittent field work throughout the country in various States/UTs. Preference will be given to those having work experience in National Health Surveys/ similar activities. These activities are being carried out through an ad-hoc research project of ICMR titled “**National survey for state-wise prevalence of microbiologically confirmed pulmonary tuberculosis in India**”. These posts are vacant since they could not be filled against previous advertisements.

Candidates are invited to attend Walk-In Interview / Written Test for the below mentioned posts. For details of post, eligibility, salary, etc. please visit www.nirt.res.in .
