

## NIRT JOURNAL CLUB (2021)

What : Journal Club

When : Every Wednesday from 2.00 to 3.00 pm

Where : Robert Koch Auditorium/CVR Conference Hall

Why : Journal Club is an integral part of the academic activity within an institute to improve the understanding and knowledge base and bring in more clarity on the research focus.

How : Assigned person as per the alphabetical order attached is expected to select an article of his/her interest which has been published recently (last 2 years) and to circulate the pdf by Monday to NIRT ALL for the following Wednesday's presentation. The actual Power-Point presentation should be for about 45 to 60 minutes (Maximum of 25 slides).

The presenter can always have a choice of selecting any recent article for presentation (during one year frame). Researchers are welcome to present new proposals for discussion and improvement. Manuscripts yet to be published can be presented for scope of improvement if needed by the author.

In case of any invited or guest speaker's presentation arranged on a Wednesday, the scheduled presenter will be expected to make his/her presentation the following week.

Scientists are requested to strictly adhere to the assigned date and in case of non-adherence, it will be the presenter's responsibility to identify an alternate person to present on the scheduled date within his/her department. They will be expected to present the following week.
